QUALITY CONTROL TRAINEE

The Marine Products Export Development Authority (MPEDA) invites applications from qualified fisheries post graduates conversant in Odiya language and residing in Odisha to be engaged as Quality Control Trainee at its Regional Division, Bhubaneswar. The trainee will assist the respective office in Quality Control related works that includes helping seafood processing and handling establishments in HACCP implementation & quality monitoring, impart Sanitation training programmes, verify the seafood processing establishments under the respective field office and suggest corrective actions in quality control and traceability.

Interested candidates fulfilling the following eligibility criteria may submit their application online through MPEDA webpage (www.mpeda.gov.in) on or before 31.01.2021. Copies of proof of age, educational qualification, experience etc. must be uploaded alongwith the online application. Applications failing to comply to the prescribed criteria will be summarily rejected without assigning any reason to the applicant, and MPEDA will not entertain any sort of correspondence in that regard with the applicant.

Signed copy of online application, original certificates of educational qualification, proof of age, experience if any and 2 passport size photographs should be brought at the time of screening test and personal interaction. The date of screening test will be intimated to the eligible candidates separately. The training term is for one year and will not be extended further under any circumstances. Engagement as a QC trainee will not give the selected applicant any right to claim permanent employment in MPEDA or its associated establishments.

Educational Qualifications	Essential: Masters Degree in Aquaculture/Fisheries Science/Marine Biology/Industrial Fisheries from a recognized university. Desirable: Proficiency in MS office Note: Preference will be given to those who have knowledge on HACCP implementation in seafood processing establishments.
